Round: ISO
Remote spying
rename("Remote spying", SPADA)
Unauthorized surveillance
Retrieval of recycled or discarded media
rename("Retrieval of recycled or discarded media", SPADA)
Unauthorized retrieval of disposed media
embrace("Unauthorized surveillance", ["Unauthorized retrieval of disposed media"], SPADA)
Round: second
Damaging devices or media
Tampering with system components
Unauthorized or malicious software dissemination
Unauthorized modification or sabotage of software
Unauthorized use or duplication of software
Theft of sensitive digital assets
Improper or unauthorized processing of data
Improper or unauthorized use of unvalidated data
Unauthorized or malicious surveillance
Improper or unauthorized use of devices
Unauthorized modification, dissemination or sabotage of software
Theft of sensitive physical or digital assets
Improper, unauthorized, or malicious handling of data
embrace("Improper or unauthorized use of devices", ["Damaging devices or media"], SPADA)
embrace("Improper or unauthorized use of devices", ["Tampering with system components"], SPADA)
embrace("Improper or unauthorized use of devices", ["Unauthorized or malicious software dissemination"], SPADA)
embrace("Unauthorized modification or sabotage of software", ["Improper or unauthorized use of devices"], SPADA)
embrace("Unauthorized modification or sabotage of software", ["Unauthorized use or duplication of software"], SPADA)
embrace("Unauthorized modification or sabotage of software", ["Unauthorized or malicious software dissemination"], SPADA)
embrace("Theft of sensitive physical or digital assets", ["Theft of sensitive digital assets"], SPADA)
embrace("Improper or unauthorized processing of data", ["Improper or unauthorized use of unvalidated data"], SPADA)
embrace("Improper, unauthorized, or malicious handling of data", ["Unauthorized retrieval of disposed media"], SPADA)
embrace("Improper, unauthorized, or malicious handling of data", ["Improper or unauthorized use of unvalidated data"], SPADA)
embrace("Improper, unauthorized, or malicious handling of data", ["Improper or unauthorized processing of data"], SPADA)
embrace("Improper, unauthorized, or malicious handling of data", ["Digital identity or credentials sabotage"], SPADA)
Round: third
Unauthorized human actions on software
Unauthorized human actions on devices
Terrorist attack, sabotage
Unauthorized physical access or interaction
Digital identity or credentials sabotage
Unauthorized human actions on sensitive physical or digital assets
Unauthorized human actions on sensitive data
embrace("Unauthorized modification or sabotage of software", ["Unauthorized modification or misuse of systems or devices"], SPADA)
embrace("Unauthorized modification or misuse of systems or devices", ["Improper or unauthorized use of devices"], SPADA)
embrace("Unauthorized human actions on devices", ["Social engineering and human-related attacks"], SPADA)
embrace("Terrorist attack, sabotage", ["Unauthorized or malicious surveillance"], SPADA)
embrace("Unauthorized physical access or interaction", ["Unauthorized modification, dissemination or sabotage of software"], SPADA)
embrace("Unauthorized human actions on sensitive physical or digital assets", ["Unauthorized human actions on sensitive data"], SPADA)
embrace("Unauthorized human actions on sensitive data", ["Eavesdropping on private communications"], SPADA)
embrace("Theft of sensitive physical or digital assets", ["Digital identity or credentials sabotage"], SPADA)
embrace("Improper, unauthorized, or malicious handling of data", ["Digital identity or credentials sabotage"], SPADA)
embrace("Improper, unauthorized, or malicious handling of data", ["Unauthorized or malicious surveillance"], SPADA)
Round: fourth
Social Engineering
Eavesdropping
Position detection
Interception of radiation of a device
Social engineering and human-related attacks
Eavesdropping on private communications
Human actions on sensitive physical or digital assets
rename("Social Engineering", SPADA)
rename("Eavesdropping", SPADA)
embrace("Position detection", ["Interception of radiation of a device"], SPADA)
embrace("Interception of radiation of a device", ["Eavesdropping on private communications"], SPADA)
embrace("Unauthorized human actions on devices", ["Unauthorized human actions on software"], SPADA)
Round: fifth
Human exploitation of radiations to intercept devices
embrace("Human exploitation of radiations to intercept devices", ["Unauthorized human actions on devices"], SPADA)
Round: sixth
Disclosure of information
Replay attack, man-in-the-middle attack
Interception and re-use of communications
Human actions on information
rename("Replay attack, man-in-the-middle attack", SPADA)
embrace("Disclosure of information", ["Interception and re-use of communications"], SPADA)
embrace("Human actions on sensitive physical or digital assets", ["Human actions on information"], SPADA)
Round: seventh
Human actions
